# *Simple Rules*

Line starts moving from staging area (Dune Town Mall) at approximately 8:30am. You will be guided into place by festival parkers. Classic cars and street trucks go in first. ORV'S go in last. No guaranteed parking spots!

If you try to park prior to being guided in, you will be escorted out and/or towed and disqualified!

No prior exit until awards are done (approximately 4:30pm). Reasoning - the craft show is on until 5:30. It is too dangerous to leave at random when people are in the street! **If you leave early you will be ticketed!**  
**Police and/or security will stop traffic for parade out!**

Voting ends @ 1:00pm. Please have your ballot back to SunChasers no later than 1:00pm. We have combined the voting, so you may vote for any category you see. All categories will be included in Best of Show.

Door prizes must be picked up at SunChasers by 4:00pm
