The 89<sup>th</sup> District Court achieved many accomplishments in 2013 as summarized below. The court's overall operations, as well as its service to the public, have been enhanced by these accomplishments.

## Commitment to Efficient Use of Public Resources

- The 89<sup>th</sup> District Court recognizes its responsibility to be fiscally responsible with the use of public resources. In 2013, District Court's budget was \$531,338.00 which was an increase of \$18,670.00 from the 2012 budget. Much of this increase was due to the rise in health care costs. In 2013, the 89<sup>th</sup> District Court total expenditures were \$17,725.24 less than budgeted. District Court has come in under budget in 2009, 2010, 2011, 2012 and 2013 for a total savings of \$139,836.92 to the county.

## Michigan Department of State Clearances

- The 89<sup>th</sup> District Court was asked by the Michigan Department of State to be a pilot court for their new Direct Access programming. This new programming allows courts to instantly clear a license suspension from an individual's driving record upon payment in full of fines and costs. This program has been an effective tool as it provides a more efficient option for resolution of license suspensions for the individual, the court and the Michigan Department of State. To date there are approximately 12 District Courts on MDOS Direct Access. The Department of State plans to have all District Courts doing real time clearances by October 2014.

## Operational and Procedural Improvements

Judge Barton and staff have focused on maintaining a high standard of public service by increasing productivity through internal operational and procedural improvements.

### Jury Costs

- The 89<sup>th</sup> District Court continues to address the issues of trials and preliminary hearings in an effort to improve the timeliness of cases and to reduce the time, effort and cost in subpoenaing police officers and other witnesses (prosecutor expenses). These efforts result in more cases being settled before the day of trial, reducing witness fees for the Prosecutor's Office, overtime costs to the police agencies and jury costs in District Court. Below are the jury costs incurred since 2009.
  - 2009 jury costs were \$ 6,566.57
  - 2010 jury costs were \$ 2,264.37
  - 2011 jury costs were \$ 0.00
  - 2012 jury costs were \$ 2,923.68
  - 2013 jury costs were \$ 3,861.91

## Operational and Procedural Improvements Continued

### Collections

- The court continues to pursue the collection of fines and costs at the time of sentencing. In 2009, the District Court focused on improving our collections by ordering that fines, costs and fees are due in full at time of sentencing per Michigan Court Rules. The court notifies the defendant of the amount of the fine at the time of plea. Additionally, the notice of sentencing contains information regarding the amount of the fine. As a result, more defendants are paying fines at the time of sentencing, thereby reducing staff time required to pursue collection after sentencing. The court continues to routinely address outstanding fines and costs through show causes where defendants are ordered into court to address their outstanding obligations. In 2011, the court began garnishing tax returns for individuals with outstanding fines and costs to help reduce the outstanding receivables. To date, the court has collected approximately \$36,000.00 on cases where garnishments were sent but the individual came in and paid prior to the garnishment being processed by the Department of Treasury. An additional \$6,589.20 has been collected via garnishments that were issued and processed by the Department of Treasury.

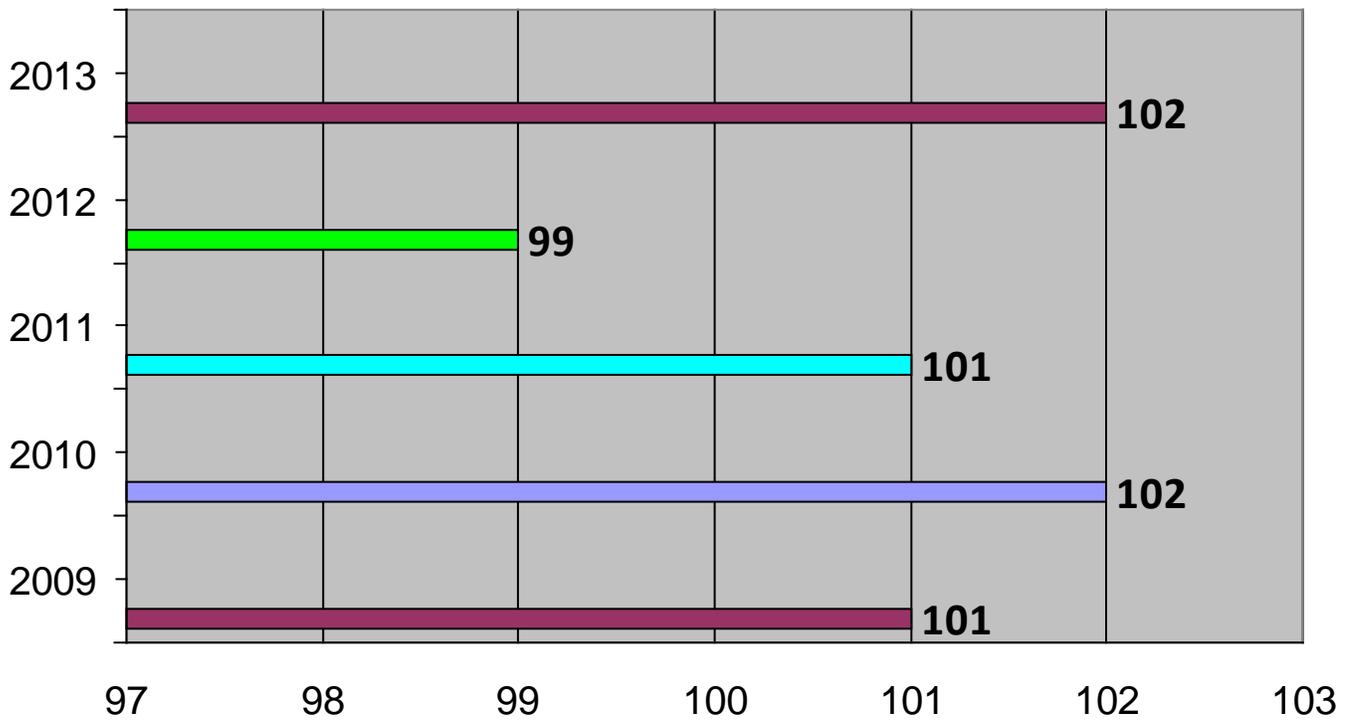

### Polycom (State of Michigan Courts Video Project)

- In September 2012, the State of Michigan installed approximately \$50,000.00 worth of electronic video equipment into all three courtrooms in Cheboygan. This project was spearheaded by Jodi Barrette, District Court Administrator in conjunction with the State of Michigan Courts Video Project. When defendants are lodged in other counties or in prison, the court can resolve the case via a video Polycom proceeding thereby saving the costs of transportation and/or overtime to local police agencies to have the defendant brought to Cheboygan. The Polycom system reduces prisoner transportation costs for local police agencies, overtime compensation for police officers and Department of Corrections, increases public safety, reduces costs for Michigan State Police Forensics and increases productivity. The District Court utilizes this equipment whenever possible in order to make the most efficient use of time for the court, staff, police agencies, Department of Corrections and assigned judges. We believe this equipment will prove to be a very effective cost saving project as well as provide further safety to the citizens of Cheboygan County. In 2013, the District Court through the use of the Polycom helped the county save an estimated \$5,642.33 in prisoner transportation and visiting judge costs.

**Caseflow Management**

Efficient Case Processing – Clearance rates are a way to measure caseflow management and efficiency of a court. Clearance rates indicate the extent to which a court is keeping up with incoming caseload. Clearance rates above 100% indicate that a court is reducing a backlog. A clearance rate of 100% indicates the court is keeping up with its current caseload and maintaining the size of any pending caseload. The higher the percentage, the more efficient the court is in handling its caseload.

In 2013, the 89<sup>th</sup> District Court’s clearance rate was 102% with 4,395 new or reopened cases and 4,489 disposed cases.

## Sobriety Court

The 89th District Sobriety Court was started in August of 2012 after the team attended the 2012 DWI Court training with the National Highway Safety Administration in late June. The Sobriety Court team includes:

Honorable Maria I. Barton, District Judge  
Jodi Barrette, DWI Coordinator  
Kim Godi, Probation Officer  
Dale Selin, Research Expert  
Aaron Gauthier, Assistant Prosecutor  
Ronald Varga, Defense Counsel  
Matt Riley, Treatment Provider – Harbor Hall  
Tim Cook, Lieutenant – Cheboygan County Sheriff Department

In addition to the above team, Kathy Mason from Catholic Human Services plays a significant role in our program.

The mission of Sobriety Court is to help substance abusers achieve sobriety by providing a structural framework within which to be successful and to help facilitate change in addictive behaviors. The Sobriety Court focuses on holding individuals accountable through the team approach.

The 89<sup>th</sup> District Court revised workload and job responsibilities within the court to be able to operate the Sobriety Court without additional personnel or costs to the county. Participants in the program are responsible for paying their fines and costs, a participation fee of \$20.00 per month for each month in sobriety court, fees for drug testing, fees for alcohol monitoring systems, and counseling. The Sobriety Court budget is comprised of funds the 89<sup>th</sup> District Court receives annually from the State of Michigan for Drunk Driving and Drug cases filed. The court receives an average of \$9,000.00 to \$12,000.00 annually.

In 2012, the Sobriety Court accepted a total of 8 participants into the program and in 2013 accepted a total of 11 participants into the program. Due to non-compliance, four of these individuals were discharged and one individual was transferred to another court leaving 15 participants currently in the program.

## Jail Savings

- In 2012, the Sobriety Court accepted eight individuals into the program. Of the eight participants, seven are still involved in the program. Based upon the charges of the seven individuals and possible jail sentence, the Sobriety Court program saved approximately \$19,900.00 in jail costs for Cheboygan County. This figure is based on \$20.00 a day per inmate.

In 2013, the Sobriety Court accepted eight individuals into the program. Based upon the charges of the eight individuals and possible jail sentence, the Sobriety Court program saved approximately \$24,600.00 in jail costs for Cheboygan County.

Revenue

	2009	2010	2011	2012	2013*
General Revenue	511,056.57	519,652.38	475,433.21	412,220.82	398,717.20

Total	959,858.28	928,924.56	863,303.79	771,141.13	767,361.65

In 2013, the 89<sup>th</sup> District Court’s revenue was \$767,361.65, down \$3,779.48 from 2012. The reduction in revenue is due to decreasing civil infraction cases in the Traffic Division of the court. Of the \$767,361.65 collected, \$398,717.20 was given to the Cheboygan County general fund.

Pursuant to statute and local ordinance, \$250,246.86 from the Trust and Agency account was distributed to the Police Agencies, DNR Fish/Game Fund, and Secretary of State, Crime Victim Fund, State Court Fund, Convicted OUIL Assessment, Juror Compensation, Civil Filing Fee Fund, Justice System Fund and Victim Restitution. Money assessed by the courts for penal fines is dispersed to public libraries per statute. In 2013, \$104,497.99 was dispersed to Cheboygan, Indian River, and Mackinaw City, Presque Isle, Topinabee and Wolverine libraries. Sobriety Court revenue totaled \$6,069.60.

In 2013, the District Court had additional revenue that was collected but not earned of \$7,000.00. This revenue is two surety bonds that were forfeited when the defendants failed to appear in court. The bonding agencies have one year to find the defendants and turn him/her over to the court. If the bonding agency is unable to locate the defendant, this revenue will be turned over to the Cheboygan County general fund. Also, revenue collected for other departments used for a specific purpose, includes \$375.00 to the road commission and \$375.00 to the Sheriff Department per a local ordinance and \$80.00 to the courthouse preservation fund. These amounts are not included in the figures in the above chart.

\*Unaudited Data

The 89<sup>th</sup> District Court is divided into three divisions – criminal, civil and traffic. All criminal cases whether misdemeanor or felony, begin in District Court. The Criminal Division of the District Court handles a wide range of criminal proceedings including misdemeanor offenses for which the maximum possible sentence is one year or less. Examples of District Court misdemeanor offenses include drunk driving, use or possession of marijuana, shoplifting, domestic violence, assault and battery, and driving while license suspended. In misdemeanor cases, Judge Barton arraigns the defendant, sets bond, takes pleas, conducts the trial and sentences the defendant.

In addition to issuing misdemeanor complaints, the District Court also issues all felony complaints, sets bond and conducts preliminary hearings for felony cases. If at the preliminary hearing, the prosecutor establishes by probable cause that a crime has been committed and the defendant committed the crime, the case is transferred to Circuit Court for trial. The Criminal Division of the court is also responsible for issuing search warrants, scheduling all hearings and trials for misdemeanors, receipting and maintaining all criminal bonds, keeping records of all criminal matters, reporting information to state agencies including Secretary of State for motor vehicle violations and notifying Michigan State Police of criminal convictions.

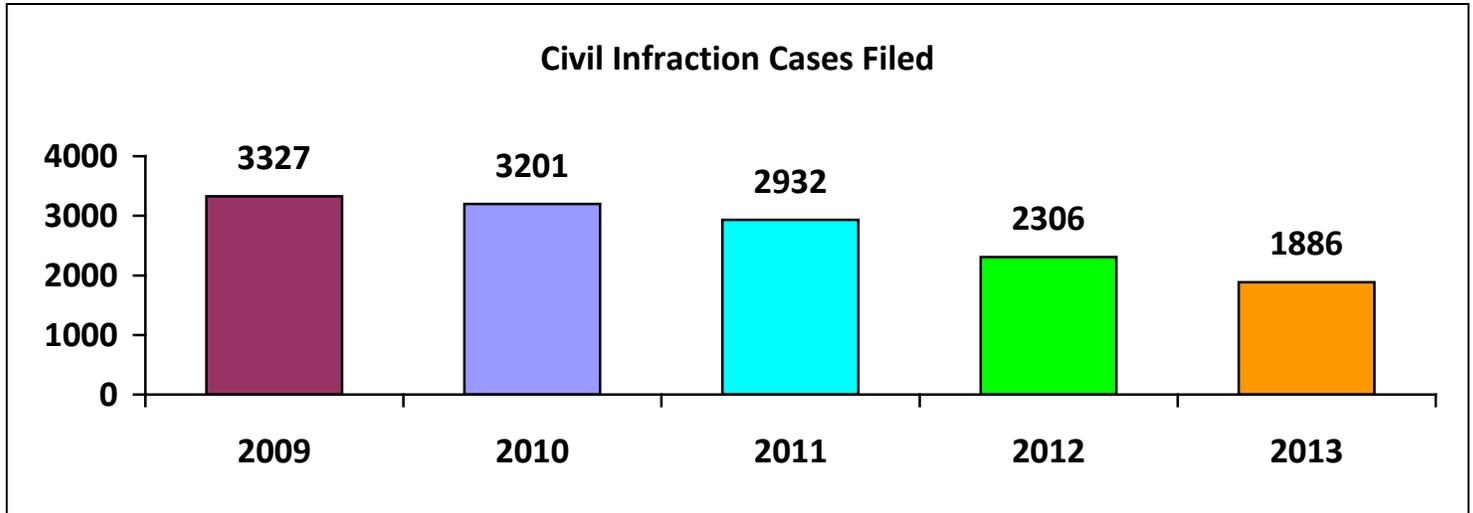

Felony Cases Filed

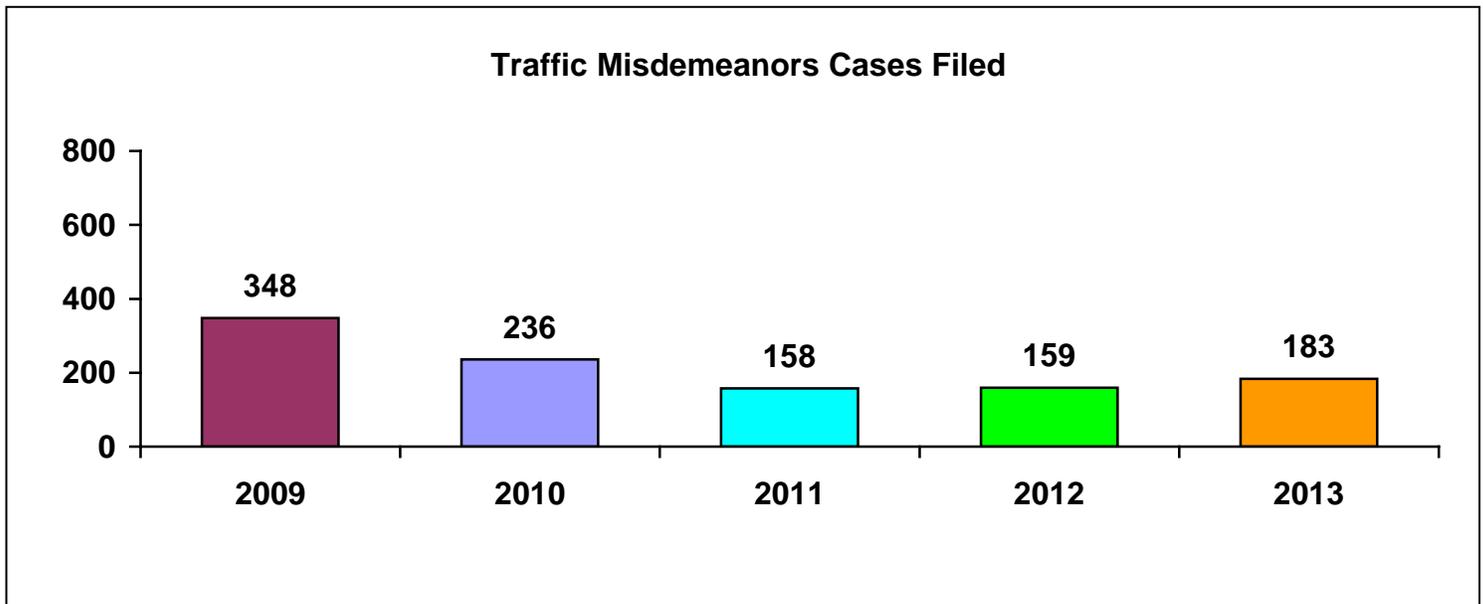

Misdemeanor Cases Filed

The Traffic Division processes all civil infractions, which include minor traffic matters, some Department of Natural Resource matters and certain misdemeanor cases. Speeding tickets, registration/plate violations, careless driving, parking, seatbelt violations, no proof of insurance, defective equipment and failure to stop or yield are examples of civil infractions handled by District Court. These civil infractions make up the majority of activity in the Traffic Division. Other cases handled in this division are misdemeanors such as failure to display valid operator’s license on person, expired plate violations, violation of restricted license as well as various hunting, camping, boating and fishing violations.

(Civil infractions are down by 420 cases. Fines and costs in these cases average around \$100.00 per case which equates to approximately \$42,000.00 annually. The decrease in the number of civil infractions is believed to be due to the reduction in officers policing Cheboygan County.)

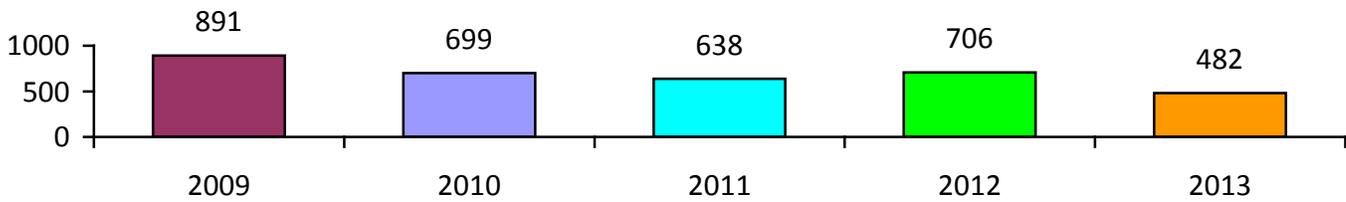

The Civil Division of the court has jurisdiction over all civil disputes where the amount in controversy is less than \$25,000, small claims and landlord tenant cases. General civil also includes cases for claim and delivery.

In small claims cases, the amount in controversy is \$5000 or less. Litigants waive the right to be represented by an attorney, waive the right to a jury trial and the right to appeal the district judge’s decision.

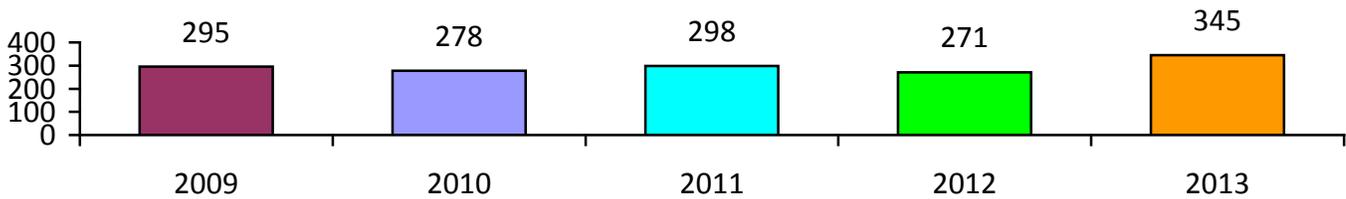

Landlord tenant cases are filed by landlords or land contract vendors when tenants or land contract vendees are not complying with the terms of the lease or contract. This area also includes summary proceeding matters.

**General Civil Cases**

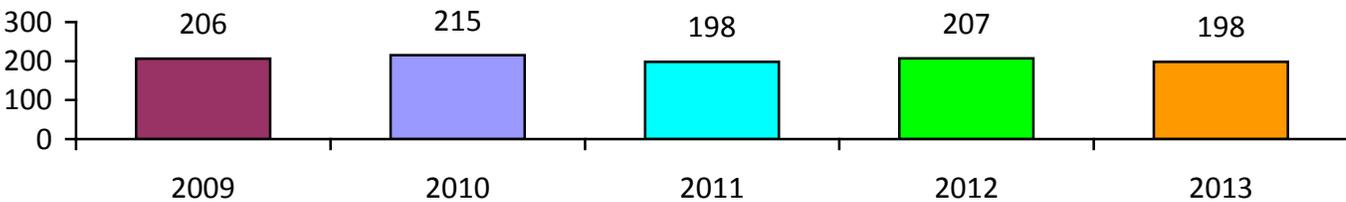

(The decrease in the general civil cases is believed, in part, to be due to the closing of Cheboygan Memorial Hospital.)

**Small Claim Cases**

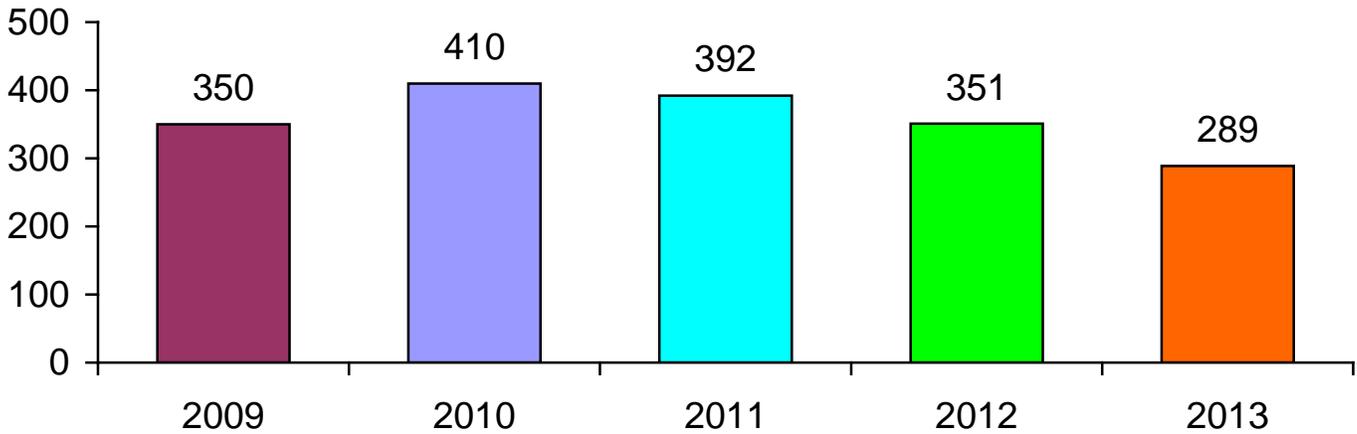

**Landlord/Tenant Cases**

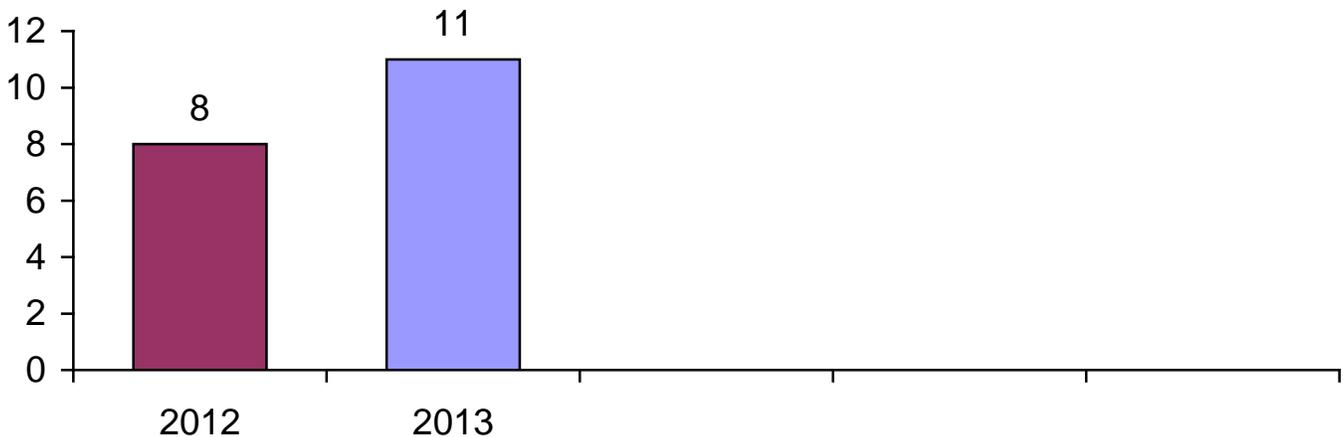

The Probation Department provides services to the judge, victims and probationers. The probation agent is responsible for the preparation of pre-sentence investigation reports and the supervision and referral to appropriate programs/services for defendants placed on probation. Monitoring probationers is necessary to restore victims and communities, protect the public, promote probationer accountability, and create a climate for probationers' rehabilitation. This includes the supervision of community service placements and those individuals referred to Community Corrections as alternatives to incarceration. The chart below reflects the total number of probationers placed on probation in each year to include non-reporting probation cases.

District Court Probation Caseload

Sobriety Court Probation Caseload

The District Court had 8 individuals enter our program in 2012, 11 in 2013 and 4 in 2014. In 2012, there were no individuals discharged and in 2013 there were four discharged as non-compliant. To date, we have admitted 4 additional people into the program and one individual graduated from the program. As of today, we currently have 18 individuals in our program.

### Jury Fee Reimbursement

The Juror Compensation Reimbursement Fund was created as of January 1, 2003, to provide a source of reimbursement funding to trial courts for legislated increases in juror attendance compensation. Beginning October 1, 2003, jurors were compensated at new, higher rates (see MCL 600.1344) and trial court funding units can claim reimbursement biannually from the fund for the increased expense. The figures below reflect the reimbursements to Cheboygan County (Circuit, District and Probate Courts) which are deposited into the county's general fund.

Year	1 <sup>st</sup> Term	2 <sup>nd</sup> Term
2009	\$5,732.50	\$2,470.00

### Drunk Driving Caseload Assistance Fund

The Drunk Driving Caseload Assistance Fund was created by statute effective January 1, 1992. The fund was created to provide a source of funding for implementation of new case processing time guidelines which would promote the timely disposition of cases in which the defendant was charged with a qualifying drunk driving offense. Offenses can be charged under either state statute or local ordinance. Funds received are based on previous year's caseload.

Year Received	
2009	\$ 10,076.08
2010	\$ 8,806.06
2011	\$ 9,107.71

2013	\$ 8,994.90

### Drug Cases Information Management Fund

The Drug Case Information Management Fund was created by statute effective September 1, 1994. The fund was created to provide a source of funding for timely management and new reporting to the Secretary of State of specific cases. The case types include an attempt to violate, a conspiracy to violate, or a direct violation of the Public Health Code for drug-related offenses. Offenses can be charged under either state statute or local ordinance. Funds received are based on previous year's caseload.

2011	\$ 655.56
2012	\$ 560.80
2013	\$ 565.95

### Community Service Program

This sentencing alternative provides the Court with the opportunity to allow certain indigent offenders to perform volunteer work as part of their sentence as credit against payment of fines and costs. Placements are located in government or community not-for-profit agencies and supervised by the Probation Officer. Paperwork must be completed on each referral, a suitable location selected, and supervision or oversight required.

In 2013, 3,484 hours of community service were completed by defendants assigned to the Community Service program. Community service hours resulted in \$25,784.30 being credited toward eligible fines, costs and fees.

### Smart Start/Rancilio Home Confinement Services/House Arrest Services

Defendants who are sentenced to be on an alcohol monitor/tether are referred to any one of these agencies. These programs are utilized by the court to help monitor an individual’s alcohol intake and/or keep the defendant confined to his/her home and provide accountability to the un-incarcerated defendant. Other types of technology are also available to allow the court to monitor at different levels of security based on the seriousness of the offense such as Alcohol Tether w/GPS, Ignition Interlock with/without camera, and Vehicle Immobilization.

### Williams House/Evangeline House

The Williams House and Evangeline House are structured transitional houses for recovering alcoholics/addicts. The Williams House is for men 18 or older, and the Evangeline House is for women 18 or older. The goal of the transition houses is to help people recover and maintain sobriety in a structured, drug-free environment so they can return to their families and jobs.

### Community Mediation Services

The court utilizes this mediation program to assist the court and public in resolving small claim cases. Mediation allows parties an opportunity to resolve their cases in a non-adversarial manner while working with a trained mediator.

**Impact Weekend**

The Impact Weekend program educates defendants convicted of alcohol related driving offenses about the dangers of driving while under the influence of drugs and alcohol. It is a weekend residential program of intensive pre-treatment, education, and intervention. Defendants are sentenced to Impact Weekend as an alternative to incarceration.

**Other Programs**

The District Court also utilizes other programs such as Alcohol Highway Safety Education, Outpatient Counseling, Inpatient Treatment, Shoplifter’s Alternative, Anger Management, Life Skills, and Domestic Violence Counseling.

**Community Corrections Program**

The Community Corrections program provides the District Court with sentencing alternatives for low risk, non-assaultive offenders. Defendants placed into the Community Corrections program assist nonprofit agencies and allow *incarcerated* offenders the opportunity to make a positive contribution to the community.

In addition to performing community service, offenders are given the opportunity to participate in rehabilitative programs such as residential substance abuse treatment, intensive outpatient counseling, anger management and obtaining a high school diploma. Defendants are given days off their sentence for successful completion of the rehabilitative services which results in a saving to the county.

The following figures represent jail beds saved and the savings to Cheboygan County for community service performed, completion of rehabilitation services and residential programs as well as the Weekend Work hours performed and other community service.
