

CHEBOYGAN COUNTY ROAD COMMISSION

Adopt-A-Road Permit Conditions

The permit will be issued subject to the following conditions:

1. The permit grants to the permittee only those rights specifically stated herein and no other.
2. Issuance of the permit does not relieve permittee from meeting any and all requirements of law or of other public bodies or agencies.
3. Any operations in the county road right-of-way not covered by permit and the appropriate Road Commission specifications are in violation of the jurisdictional authority of the Road Commission with respect to the control of the county road right-of-way unless approved by the County Road Permit Agent. Any change or alteration in the permit activities requires prior approval of the Road Commission and may require a new permit.
4. The permittee shall be responsible for the cost of restoration of the Road Commission facilities and right-of-way determined by the Commission to be damaged as a result of the activities of the permittee.
5. The permittee shall save harmless the County Road Commission, Board of County Road Commissioners, and employees thereof against any and all claims for damages arising from operations covered by the permit.
6. The permit is not assignable and not transferable unless specifically agreed to by the Road Commission.
7. The permittee, upon request of the Road Commission, shall immediately cease operations and surrender the permit.
8. Participants must hold a safety meeting once a year prior to the first pickup, conducted by the adopting group. All participants must sign a form acknowledging the training. Forms shall be kept on file at the Road Commission office.
9. All participants must wear an orange or hunter's orange vest while working in the right-of-way. The Road Commission will supply safety vests. The group shall replace any vests at its own expense, which are lost or not returned in good condition.
10. Group participants must be a minimum of sixteen (16) years old unless otherwise approved.
11. All trash must be removed and deposited at the Road Commission garage nearest to the pickup site. No bags or larger objects shall be piled on the shoulders.
12. All trash pickups will be during the daylight hours.
13. The Road Commission will provide, install and maintain signs, noting the program and the participant. Only two identification signs per adopted section are allowed. These will be located near the beginning point from each direction. Groups wanting more signs will not be allowed to pay for additional signs.
14. Groups must consist of at least six people and three backups, all identified by name, address and phone to participate in the Adopt-A-Road Program. Your group contact person must be identified.

15. Groups failing to follow the guidelines or not participating in the trash pickups for two periods will have their permit revoked and the sign designation removed. The first pickup up date missed will be followed by a warning; the second occurrence will result in the group's permit being revoked. That particular section of right-of-way will then be available for another group to adopt. The Road Commission will retain the right to revoke any permit at any time.
16. All vehicles shall be parked well off the right-hand shoulder so as not to obstruct traffic and in accordance with posted restrictions.
17. Groups must notify the Road Commission if they intend to drop the program.
