The 89<sup>th</sup> District Court achieved many accomplishments in 2019 as summarized below. The court's overall operations, as well as its service to the public, have been enhanced by these accomplishments.

## Operational and Procedural Improvements

### Commitment to Efficient Use of Public Resources

- The 89<sup>th</sup> District Court recognizes its responsibility to be fiscally responsible with the use of public resources. In 2019, District Court's budget was \$639,120.00.00 which was a decrease of \$3,004.00 from the 2018 budget. In 2019, the 89<sup>th</sup> District Court total expenditures were \$15,821.04 less than budgeted. District Court has come in under budget every year from 2009 through 2019 for a total savings of \$274,291.96 to the county.

### Operational and Procedural Improvements Continued

Judge Barton and staff have focused on maintaining a high standard of public service by increasing productivity through internal operational and procedural improvements.

#### Jury Costs

- The 89<sup>th</sup> District Court continues to address the issues of trials and preliminary hearings in an effort to improve the timeliness of cases and to reduce the time, effort and cost in subpoenaing police officers and other witnesses (prosecutor expenses). These efforts result in more cases being settled before the day of trial, reducing witness fees for the Prosecutor's Office, overtime costs to the police agencies and jury costs in District Court. Below are the jury costs incurred since 2009.
  - 2009 jury costs were \$ 6,566.57
  - 2010 jury costs were \$ 2,264.37
  - 2011 jury costs were \$ 0.00
  - 2012 jury costs were \$ 2,923.68
  - 2013 jury costs were \$ 3,861.91
  - 2014 jury costs were \$ 864.76
  - 2015 jury costs were \$ 1,507.64
  - 2016 jury costs were \$ 495.77
  - 2017 jury costs were \$ 1,245.50
  - 2018 jury costs were \$ 869.09
  - 2019 jury costs were \$ 6,990.75\*

\*The 2019 jury expenses were elevated due to new requirements of the Michigan Indigent Defense Commission (MIDC), which was created by legislation in 2013 after an advisory commission recommended improvements to the state's legal system. The MIDC works to ensure the state's public defense system is fair, cost-effective and constitutional while simultaneously protecting public safety and accountability. This new requirement has increased the number of jury trials held thereby increasing the jury costs.

## Operational and Procedural Improvements Continued

### Collections

- The court continues to pursue the collection of fines and costs at the time of sentencing. In 2009, the District Court focused on improving our collections by ordering that fines, costs and fees are due in full at time of sentencing per Michigan Court Rules. The court notifies the defendant of the amount of the fine at the time of plea. Additionally, the notice of sentencing contains information regarding the amount of the fine. As a result, more defendants are paying fines at the time of sentencing, thereby reducing staff time required to pursue collection after sentencing. The court continues to routinely address outstanding fines and costs through show causes where defendants are ordered into court to address their outstanding obligations. In 2011, the court began garnishing tax returns for individuals with outstanding fines and costs to help reduce the outstanding receivables. To date, the court has collected approximately \$157,424.09 on cases where garnishments were sent but the individual came in and paid prior to the garnishment being processed by the Department of Treasury. An additional \$9,735.01 has been collected via garnishments that were issued and processed by the Department of Treasury.

### Polycom (State of Michigan Courts Video Project)

- In September 2012, the State of Michigan installed approximately \$50,000.00 worth of electronic video equipment into all three courtrooms in Cheboygan. This project was spearheaded by Jodi Barrette, District Court Administrator in conjunction with the State of Michigan Courts Video Project. When defendants are lodged in other counties or in prison, the court can resolve the case via a video Polycom proceeding thereby saving the costs of transportation and/or overtime to local police agencies to have the defendant brought to Cheboygan. The Polycom system reduces prisoner transportation costs for local police agencies, overtime compensation for police officers and Department of Corrections, increases public safety, reduces costs for Michigan State Police Forensics and increases productivity. The District Court utilizes this equipment whenever possible in order to make the most efficient use of time for the court, staff, police agencies, Department of Corrections and assigned judges. We believe this equipment will prove to be a very effective cost saving project as well as provide further safety to the citizens of Cheboygan County. In 2019, the District Court, with the Polycom, helped the county save an estimated \$4,390.38 in prisoner transportation and visiting judge costs. We have saved approximately \$33,523.67 for 2013 through 2019 combined.
- In January of 2017, the State of Michigan provided our county courts with all new Polycom systems. This upgrade has helped to make the system work more efficiently. Additionally, in 2019 the Cheboygan County Sheriff Department obtained a Polycom system, which has allowed other county courts and jails to have direct access to Cheboygan County prisoners without the need to transport prisoners.

**Operational and Procedural Improvements Continued****IyeTek (Michigan State Police Electronic Citations)**

- In January 2014, the 89<sup>th</sup> District Court began accepting electronic citations from the Michigan State Police. Although the exact costs savings cannot be determined by the court, there would be a significant savings for the State Police in mileage and time. The court has noticed increased efficiency in processing these citations from State Police, as the court electronically receives the citations the following morning, and they are automatically uploaded to the court's case management system. This is a significant time savings to the court, as these citations do not need to be entered by the court; and information can be given right away when individuals call about their ticket. Additionally, the court is able to provide information to other departments such as the Prosecutor's Office, police agencies, and the Cheboygan County Jail.

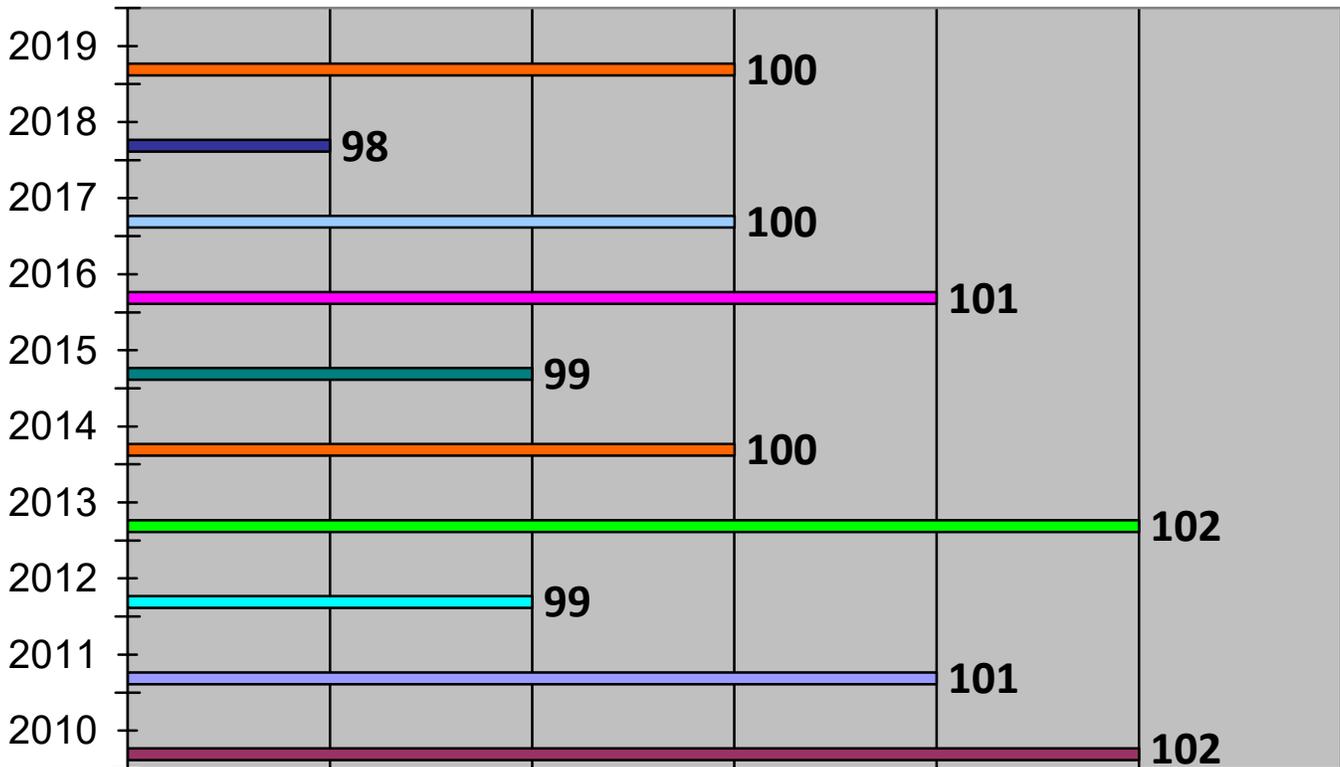

**C.C.E. Central Dispatch/Sungard (Cheboygan County Sheriff Department Electronic Citations)**

- In September 2017, in conjunction with the C.C.E. Central Dispatch Authority and the Cheboygan County Sheriff Department, we began accepting E-Citations from our Cheboygan County Sheriff Department. This has proven to be as beneficial as the Michigan State Police Citations.

**Caseflow Management**

- Efficient Case Processing – Clearance rates are a way to measure caseflow management and efficiency of a court. Clearance rates indicate the extent to which a court is keeping up with incoming caseload. Clearance rates above 100% indicate that a court is reducing a backlog. A clearance rate of 100% indicates the court is keeping up with its current caseload and maintaining the size of any pending caseload. The higher the percentage, the more efficient the court is in handling its caseload.

In 2019, the 89<sup>th</sup> District Court’s clearance rate was 100% with 5,144 new or reopened cases and 5,120 disposed cases.

## Sobriety Court

The 89<sup>th</sup> District Sobriety Court was started in August of 2012 after the team attended the 2012 DWI Court training with the National Highway Safety Administration in late June. The Sobriety Court team includes:

Honorable Maria I. Barton, District Judge  
Jodi Barrette, DWI Coordinator  
Kim Tilton, Probation Officer  
Dale Selin, Research Expert  
Amber Libby, Assistant Prosecutor  
James Gilbert, Defense Counsel  
Mike Brege, Detective Lieutenant – Cheboygan County Sheriff Department

In addition to the above team, Kathy Mason and Kim Lytle from Harbor Hall play a significant role in our program.

The mission of Sobriety Court is to help substance abusers achieve sobriety by providing a structural framework within which to be successful and to help facilitate change in addictive behaviors. The Sobriety Court focuses on holding individuals accountable through the team approach.

The 89<sup>th</sup> District Court revised workload and job responsibilities within the court to be able to operate the Sobriety Court without additional personnel or costs to the county. Participants in the program are responsible for paying their fines and costs, a participation fee of \$20.00 per month for each month in sobriety court, fees for drug testing, fees for alcohol monitoring systems, and counseling. The Sobriety Court budget is comprised of funds the 89<sup>th</sup> District Court receives annually from the State of Michigan for Drunk Driving and Drug cases filed. The court receives an average of \$9,000.00 to \$12,000.00 annually.

## Jail Savings

- Based upon the charges of the individuals that have participated in this program and possible jail sentence, the Sobriety Court program saved approximately \$19,900.00 in 2012, \$24,600.00 in 2013, \$54,400.00 in 2014, \$78,300.00 in 2015, \$73,000.00 in 2016, \$23,600.00 in 2017, \$67,300.00 in 2018 and \$61,900 in 2019 in jail costs for Cheboygan County. This figure is based on \$20.00 a day per inmate.

## Community Service/Work Crew

- In 2019, the Sobriety Court participants completed 1,451.5 hours of community service in lieu of employment hours and for sanctions.

\*Audited Data

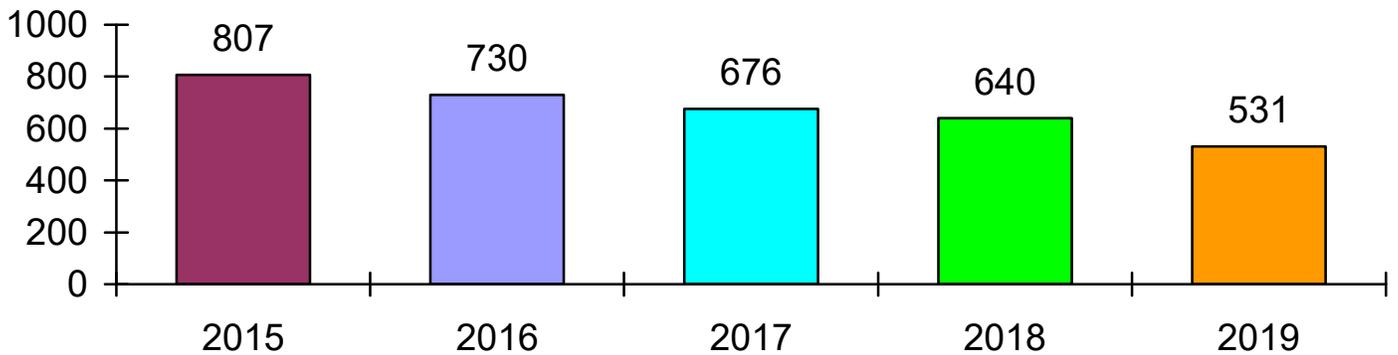

The 89<sup>th</sup> District Court is divided into three divisions – criminal, civil and traffic. All criminal cases whether misdemeanor or felony, begin in District Court. The Criminal Division of the District Court handles a wide range of criminal proceedings including misdemeanor offenses for which the maximum possible sentence is one year or less. Examples of District Court misdemeanor offenses include drunken driving, use or possession of marijuana, shoplifting, domestic violence, assault and battery, and driving while license suspended. In misdemeanor cases, Judge Barton arraigns the defendant, sets bond, takes pleas, conducts the trial and sentences the defendant.

In addition to issuing misdemeanor complaints, the District Court also issues all felony complaints, sets bond and conducts preliminary hearings for felony cases. If at the preliminary hearing, the prosecutor establishes by probable cause that a crime has been committed and the defendant committed the crime, the case is transferred to Circuit Court for trial. The Criminal Division of the court is also responsible for issuing search warrants, scheduling all hearings and trials for misdemeanors, receipting and maintaining all criminal bonds, keeping records of all criminal matters, reporting information to state agencies including Secretary of State for motor vehicle violations and notifying Michigan State Police of criminal convictions.

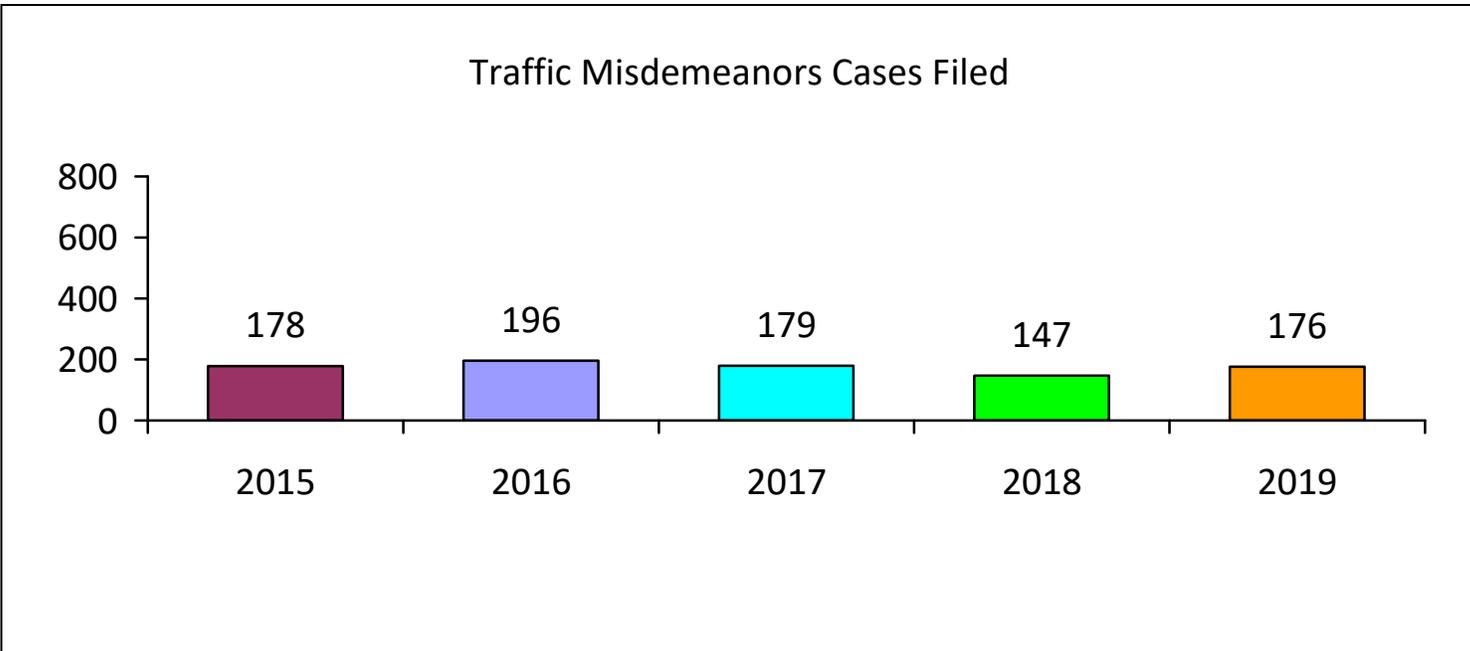

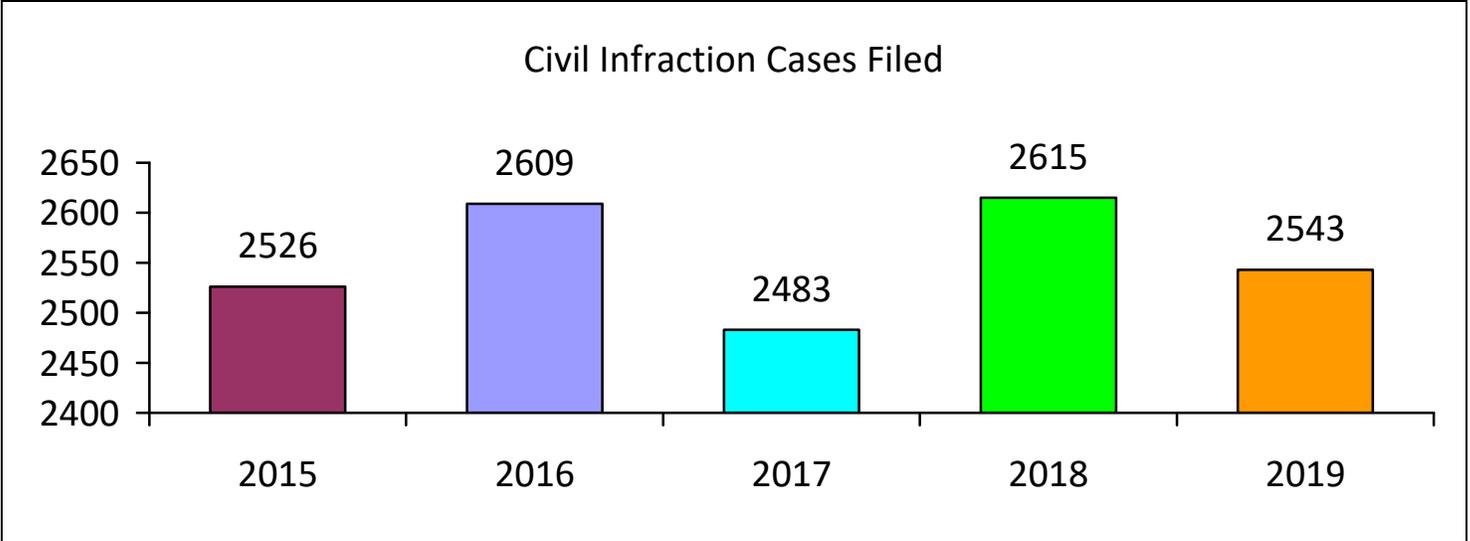

Felony Cases Filed

Misdemeanor Cases Filed

The Traffic Division processes all civil infractions, which include minor traffic matters, some Department of Natural Resource matters and certain misdemeanor cases. Speeding tickets, registration/plate violations, careless driving, parking, seatbelt violations, no proof of insurance, defective equipment and failure to stop or yield are examples of civil infractions handled by District Court. These civil infractions make up the majority of activity in the Traffic Division. Other cases handled in this division are misdemeanors such as failure to display valid operator’s license on person, expired plate violations, violation of restricted license as well as various hunting, camping, boating and fishing violations.

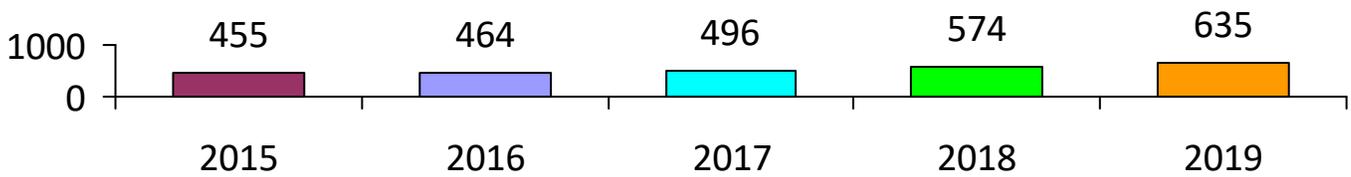

The Civil Division of the court has jurisdiction over all civil disputes where the amount in controversy is less than \$25,000, small claims and landlord tenant cases. General civil also includes cases for claim and delivery.

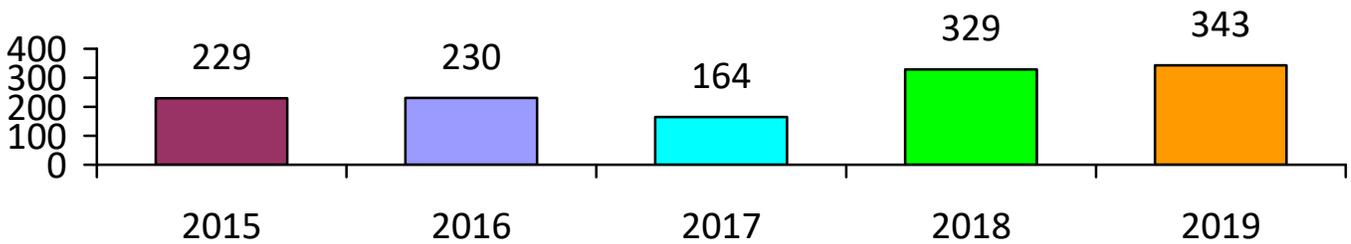

In small claims cases, the amount in controversy is \$6,000 or less. Litigants waive the right to be represented by an attorney, waive the right to a jury trial and the right to appeal the district judge’s decision.

Landlord tenant cases are filed by landlords or land contract vendors when tenants or land contract vendees are not complying with the terms of the lease or contract. This area also includes summary proceeding matters.

The Probation Department provides services to the judge, victims and probationers. The probation agent is responsible for the preparation of pre-sentence investigation reports and the supervision and referral to appropriate programs/services for defendants placed on probation. Monitoring probationers is necessary to restore victims and communities, protect the public, promote probationer accountability, and create a climate for probationers' rehabilitation. This includes the supervision of community service placements and those individuals referred to Community Corrections as alternatives to incarceration. The chart below reflects the total number of probationers placed on probation in each year to include non-reporting probation cases.

District Court Probation Caseload

Since inception, fifty individuals were successfully discharged, fourteen were discharged due to non-compliance, one was discharged unsuccessfully due to absconding, and three were transferred to another jurisdiction. To date, we have five individuals who have graduated but remain in the program until their maximum term of two years and we have a total of ten active individuals in our program.

**Jury Fee Reimbursement**

The Juror Compensation Reimbursement Fund was created as of January 1, 2003, to provide a source of reimbursement funding to trial courts for legislated increases in juror attendance compensation. Beginning October 1, 2003, jurors were compensated at new, higher rates (see MCL 600.1344) and trial court funding units can claim reimbursement biannually from the fund for the increased expense. The figures below reflect the reimbursements to Cheboygan County (Circuit, District and Probate Courts) which are deposited into the county’s general fund.
