B) ANNUAL UTILITY PERMITS: (CRA 100) _____ \$250.00

For maintenance purposes and single service longitudinal connections that do not require digging in road base or shoulders.

C) INSPECTION FEES:

If the Road Commission determines that inspection of a project is necessary above what is covered by the permit fee, inspection fees will be added to the permit. Inspection Fees will be charges at a rate of \$50.00 per hour. Estimated inspection fees shall be paid prior to issuance of the permit.

Section III. TRANSPORTATION PERMITS

Amended February 18, 2016

PURPOSE: To permit Oversize and Overweight loads on the Cheboygan County Road System. The permit is issued for the power unit (Cab) for any combination towed behind subject to state law and the CRAM Rules for Movement of Oversize or Overweight Vehicles and Loads. Fees for such permits are as follows:

Authority: MCL 257.722; MCL 257.725

A) OVER SIZE / OVER WEIGHT (per power unit)

Annual Permits are not valid in restricted areas such as Posted Bridges or Specially Designated Roads.

- 1. Single Move Transportation Permit (CRA Single Move) _____ \$25.00
- 2. Annual Transportation Permit (CRA Annual Move) _____ \$100.00

B) MOBILE HOMES & BUILDINGS

Annual Permits are not valid in restricted areas such as Posted Bridges or Specially Designated Roads.

- 1. Single Mobile Home Transportation Permit _____ \$25.00
(CRA Single Mobile Home)
- 2. Annual Mobile Home Transportation Permit _____ \$100.00
(CRA Annual Mobile Home)
- 3. Super Move Transportation Permit _____ \$100.00
(CRA Super Move)

Each move requires a separate permit. An inspection fee may be required for Building move permits. The amount of the fee will be determined by the anticipated cost of the inspection for the permit.

C) SEASONAL WEIGHT RESTRICTION EXEMPTIONS

Bonding may be required at the discretion of the Road Commission for special permits issued during the Seasonal Weight Restriction Period. The Road Commission reserves the right to alter the requested route(s). Permits may be denied at the discretion of the Road Commission.

1. Milk Haulers and Agricultural Commodities
 - i. Seasonal Milk Transportation (CRA Seasonal Milk)_____ \$25.00
 - ii. Seasonal Agricultural Transportation (CRA Seasonal Ag)_____ \$100.00
+ Route Notification Permit (CRA Seasonal Ag Notice)
2. Utility Companies
 - i. Emergencies (CRA Public Utility Notice)_____ none
 - ii. Seasonal Public Utility Transportation (CRA Public Utility)_____ \$100.00
+ Route Notification Request (CRA Public Utility Notice)_____ none
3. General (other than above at the discretion of the Road Commission)
 - i. Single Move (One way) (CCRC 210)_____ \$25.00
 - ii. Multiple Moves during the Restriction Period (CCRC 210)_____ \$100.00
4. Bonds
Bonding in the form of an Irrevocable Letter of Credit, Certified Check, Money Order, or Cash Deposit may be required at the discretion of the Road Commission for the Roads used for Permits allowing movement of unrestricted loads during the Seasonal Weight Restriction Period.
 - i. Bond rate per mile _____ \$5,000.00
 - ii. Minimum Bond for routes less than 1 mile _____ \$5,000.00

Section IV. SMALL WIRELESS COMMUNICATION FACILITIES PERMITS

Amended April 4, 2019

PURPOSE: To provide permits for the installation, construction and maintenance of Small Wireless communication facilities within Rights-of-way under the jurisdiction of the Cheboygan County Road Commission.
