

AVALANCHE PRESERVE

Boyne City
Michigan

*Over 300 acres of land
waiting for you to explore!*

*Breathtaking views of
Boyne City and Lake Charlevoix,
amazing sunsets, and year
around recreational activities.*

1019 Wilson Street
Head south on Lake St. until it ends and
then follow the sign.

The Avalanche Mountain Preserve comprises 300 plus acres of woodland located on the southern border of Boyne City, Michigan in Charlevoix County and extends beyond the City limits into Wilson Township. The area is a predominantly sloping terrain with approximately 90% of the Preserve wooded.

Overlook

There are 462 steps to the top of Avalanche with platforms available to view the City and Lake Charlevoix; don't worry, there are benches along the way if you need to catch your breath. Or you could take one of the trails that winds around the side and back mountain, eventually ending up at the top. The walk on the trails is filled with nature's beauty and is very peaceful. The view that awaits you at the top is well worth the walk!

The area also offers many recreational activities at no cost!
