**Wastewater Treatment
Plant Aeration Blower
Motor Repairs**

Consideration to authorize a contract in the amount of \$6,500 with Professional Pump to repair an aeration blower motor for the lagoons at the Wastewater Treatment Plant and authorize the City Manager to execute the documents

Water/Wastewater Superintendent Mark Fowler stated that two aeration blowers at the treatment plant have failing bearings. A few companies were contacted for prices to repair the blowers. These blower units are 14 years old. The best quote received for the repairs was from Professional Pump for labor. There will be further costs determined once the motor has disassembled and the necessary materials are purchased.

**Turf Fertilization
Contract Extension
Recommendation**

Consideration to approve a contract extension of one (1) year and award a purchase order to Northern Greenlawn North for the 2020 Turf Fertilization services in an amount not-to-exceed \$13,600 and authorize the City Manager to execute the documents.

Director of Public Works Tim Faas discussed the proposals from Northern Greenlawn North to extend their service contract for the upcoming season. Their proposal is similar to last season's service, however the mid-summer application of fertilizer on the sports fields has been eliminated as the contractor feels it is not necessary to guarantee the health of the turf. A small increase of 2.2% is factored into the agreement to cover wage increases and material cost inflation versus last year.
