**UNFINISHED
BUSINESS**

**MDNR Grant
Opportunities**

Due to the grant application deadline, it isn't feasible to pull together a project in time. The tennis courts at Rotary Park would have been a good project; however grant funds would not be available until 2016 and the courts need to be addressed this year.

NEW BUSINESS

**FY /16 2015 Budget
Proposal**

The board reviewed the proposed budget currently under consideration by the City Commission. The two big projects being undertaken is the tennis courts and the proposed Veterans Park Community Pavilion Project. After board review, the general consensus is that nothing appeared out of line.

**Soccer Kickboard
Proposal**

****MOTION**

The traveling soccer program proposes to install a practice kickboard at the Rotary Park soccer fields. They would fund-raise to pay for it and utilize volunteers for installation. The general consensus of the board was that it would be fine. **Bowman moved, Meeder seconded, PASSED UNANIMOUSLY** to allow the traveling soccer program to work with City staff to install a practice kickboard at the Rotary Park soccer fields.
