**PRELIMINARY  
OVERVIEW OF FYE  
2021 BUDGET**

City Manager Cain discussed the big picture of this budget. At this time, we recommend approving the budget as presented on March 17. Adjustments can be made throughout the year. There are unknowns of the impact on the economy of Covid 19. We are also facing concerns about the lake levels. We have set aside \$100,000 to deal with damages from the rising levels.

On the good side, the City is in strong financial health.

**Good of The Order**

Commissioner Conklin said now is not the time to increase wages and he would wait until the situation calms. Commissioners discussed providing alternative plans to be provided by staff in preparation of decreased revenues.

**Adjournment**
