OLD BUSINESS:

NEW BUSINESS:

Hewitt tried to contact Lisa Alexander and she did not reply. Her term has expired so we will just try to fill the vacancy. Currently we have two vacancies.

The Heritage Board history in the making presented a nice update on their progress but lacks certain information that the City of Boyne has made in contributions. Items purchased by the City for use by the Heritage Board should remain the property of the City, such items as; cameras, I cloud past perfect, studio lighting, scanners, laptop computer, storage boxes and photo sleeves.

It would be helpful to see a semi-annual financial report from the Heritage Board.

Updates should be presented to Historical Commission prior to City Commission meetings when it is part of the agenda so we can attend.

Historical Commission was encouraged to see that the Heritage Board events are receiving good attendance.

Election of officers to be done at our next meeting.
