

Dogs Just Want to Have Fun!

AND THEY WILL AT THE BOYNE CITY DOG PARK

An exciting project is underway in Boyne City which we're sure all dog owners and dog lovers will want to see succeed. The City has designated four acres of land located at Ridge Street and Addis Road, a five minute drive from the Chamber Office, for residents and visitors to enjoy. The park will provide two wonderful fenced areas. One for small dogs and one for larger breeds to run, play and make new friends. It will be a perfect place for dogs and their owners to socialize in a dog and people friendly environment.

The project is slated to be completed in phases. We are asking for your help to raise \$30,000 to complete phase one which includes funding for the fencing, ground cover, irrigation, waste bag dispensers, water fountains, parking and signage. Our ground breaking goal for construction is first of June.

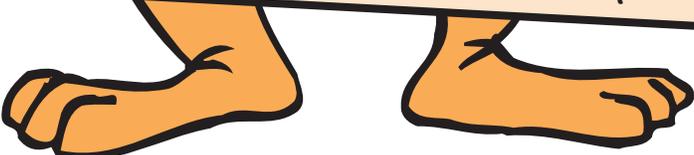

Future plans include adding benches, tables, trees, shrubs, bathroom facilities and an agility course. The dog park development committee is comprised of Boyne City residents, city employees and the Charlevoix Leadership Group who have been working together for several months designing the park and implementation strategy. The community has enthusiastically responded to the park project, and our North Boyne Dog Park Facebook page has received almost 400 likes.

Your charitable donation to the park would be greatly appreciated. Use the enclosed form to designate your donation to the general fund that will be used for assets directly associated to the park, or sponsor ten feet (or more) of fencing in in memory or honor of a pet or person or family. Each section donated will be recognized with a plaque displayed on the portion of fence donated. Checks should be made out to the City of Boyne City and mailed with enclosed form to:

Thank you so much for your support!
Michele Carter and Scott Mackenzie
