**MEETING OF  
OCTOBER 3, 2013**

RECORD OF THE PROCEEDINGS OF THE **REGULAR BOYNE CITY  
PARKS AND RECREATION COMMISSION MEETING HELD AT  
6:00 P.M. AT CITY HALL ON THURSDAY, OCTOBER 3, 2013.**

**CALL TO ORDER**

Meeting was called to order by Vice Chair Swift at 6:00 p.m.

**ROLL CALL**

Present: Jo Bowman, Bill Kuhn, Heath Meeder, Darryl Parish, Marie Sheets, Jerry Swift and Gail Van Horn

Absent: Mike Sheean

**MEETING  
ATTENDANCE**

City Staff: Streets/Parks & Recreation Superintendent Andy Kovolski and Recording Secretary Barb Brooks

Public Present: Three

**MOTION**

Excused Absence(s): **Kuhn moved, Sheets seconded, PASSED UNANIMOUSLY** to excuse the absence of Chair Sheean due to family medical reasons.

**APPROVAL OF  
MINUTES  
MOTION**

**Bowman moved, Meeder seconded, PASSED UNANIMOUSLY**, a motion to approve the September 5, 2013 meeting minutes as presented.

**CITIZENS COMMENTS**

None

**DIRECTOR'S REPORT**

Kovolski reported the following:

- Parks buildings/facilities are being closed down and winterized
- Irrigation bids are currently out for Veterans Park between State St. and the river. It will be bid for spring installation.
- Individuals that vandalized the fountain in Old City Park and the bathrooms at the river mouth were caught and are performing community service at the locations vandalized.

**CORRESPONDENCE**

Email from Forest Omland regarding disc golf - will be discussed during the disc golf report on the agenda.

**REPORTS OF  
OFFICERS, BOARDS  
AND STANDING  
COMMITTEES**

**Park Inspections**

**Avalanche** - Kuhn reported that the new archery targets are in. They were installed by board member Kuhn and volunteer Mark Fruge. Mr. Bernie Hess from Boyne Falls was the first to utilize the new targets and stated he would like to get more involved with forming a club and volunteering to care for range. A few of the old targets are at Mr. Fruge's house; he will be trying to repair/refurbish them for use over the winter.

Other board members commented on how good things at Avalanche were looking in general.

**Disc Golf**

Due to personal reasons, Forest Omland will be withdrawing from the club and will not be an active member. He informed the board via email that club president Jason McCary will be the lead, attending board meetings and giving updates. Omland also stated that he has enjoyed his involvement with the board and it has been a positive experience.

McCary thanked the board for their support throughout the summer season getting things back in shape. He also showed a sample of the signage that is proposed for the tee boxes on the course. They will be made of pine board, routed to be dimensional and painted. They will be fairly inexpensive to produce and can be replaced when necessary. Wiltjer talked about the tournament scheduled for October 19 and that they are expecting decent participation and are pretty excited about it. The board also inquired about where the club was at with the tee boxes. McCary and Wiltjer stated they were still experimenting with various materials but what they have is working for now.

**UNFINISHED  
BUSINESS**

**Avalanche Signage**

---

Final design of the signage with map, verbiage, cost proposal, etc were submitted by The Wood Shop. The board took a reviewed them and because the nothing had changed, they stood by their motion made on April 11, 2013 to move forward and present it to the City Commission.

**Tree Removal  
Maintenance**

**Face of the hill** - There has been a lack of cooperation from the initial contractor. Andy will be meeting with a new contractor on pricing and hopes to move the project along.

**Trail maintenance** - City staff has been working on this and will continue as time allows.

**Dog Park**

Interested parties and City staff met to further discuss the concept of a dog park. They took a look at location options, finances and committee organization. Kovolski presented a map of Avalanche with the proposed location outlined. Kovolski explained how the location was came about, some of the benefits of the location and stated that the next

step is to present the concept to the City Commission for their consent to have a committee explore the opportunity further and present their findings and recommendations. The board discussed the proximity of the proposed fenced area to the sledding hill and walking path leading to the steps and why other locations on City owned property might not be a good fit. Kovolski also informed the board that there are citizens who have committed to raising the necessary funds associated with this project.

**MOTION**

**Swift moved, Parish seconded, PASSED UNANIMOUSLY** to recommend the City Commission explores the concept of a dog park at the proposed location, allow the formation of a citizens group and seek public input.

---

**NEW BUSINESS**

**Trail Town Meeting Proposal**

Discussion regarding potential upcoming dates to hold a joint "Trail Town" meeting with the Main Street board, City staff and other interested entities. A presenter will talk more about the designation and the benefits of becoming a Tail Town. Main Street Manager Hugh Conklin will contact the Trail Town presenter and work with both boards to come up with a date and time that works for the majority. Information will be provides as it develops.

---

**NEXT MEETING**

The next regular meeting of the Parks and Recreation Board is scheduled for Thursday November 7, 2013 at 6 pm at City Hall.

**ADJOURNMENT  
\*\*MOTION**

The October 3, 2013 meeting of the Parks and Recreation board was adjourned at 6:37 p.m. Moved by Sheets, seconded by Bowman, **PASSED UNANIMOUSLY.**

---

Barb Brooks, Recording Secretary

# City of Boyne City

# MEMO

Date: November 4, 2013  
To: Parks and Recreation Commission  
From: Michael Cain, City Manager  
Subject: Sunset Park Winter Usage

Café Santé has expressed interest in sponsoring an ice skating rink to be constructed in Sunset Park again this upcoming winter, as it has been for the last two. They have another fund raiser for the rink scheduled for later this month and are lining up people to maintain it. There have been no serious problems that I am aware of with the rink in this location although some have questioned how much it has been used.

In talking to people I have received mixed opinions in whether the ice rink should return or whether we should go back to the ice pole that was there for several years before the ice rink. Given the limited area in Sunset Park where the ice rink can be set up due to the grade of the land, we have not found an acceptable layout where both the ice rink and the ice pole could be accommodated at the same time on that site.

In talking to our Water/Wastewater Department on this matter it was indicated that if we want to back to the ice pole it would be better to do it for next winter due to the amount of work that would need to be done. The last time the Ice Pole was there and removed it has swollen so much it took the sleeve that was under the ground with it. It would be better to put those pieces back together in the spring or summer if we wish to resume an ice Pole at that site.

The costs to the City to help with the rink have been minimal. The water, power for the lights and bringing some picnic tables to the site. We have also informed staff up at the Avalanche warming house that people can check out skates to use at the Sunset rink as well.

**RECOMMENDATION:** That a recommendation be made to the Boyne City City Commission that the request of Café Santé to operate an ice rink at Sunset Park for the 2013-14 winter season be granted with the Park and Recreation Board to begin discussions on future winter uses of Sunset Park at it's May 2014 meeting.

Options:

- a) Postpone this matter for further consideration or information.
- b) Have no items in Sunset Park this winter.
- c) Pursue erecting the Ice Pole for this winter.
- d) Other options as determined by the Commission

# *City of Boyne City*

# *MEMO*

Date: November 4, 2013  
To: Parks and Recreation Commission  
From: Michael Cain, City Manager  
Subject: Dog Park Subcommittee Membership

As you are aware the Parks and Recreation Commission has been researching the possibility of establishing a public Dog Park area within the City for some time now. This concept has gotten further traction lately when the matter was formally introduced to the City Commission at their October 8<sup>th</sup> meeting. A copy of Andy's memo on that subject is attached. Public reaction to the concept of a Dog Park since that meeting seems to have been generally favorable. A Dog Park is envisioned as a potential tool to encourage people from outside the City proper to visit Boyne City, and hopefully do business here as well.

The subcommittee that has been meeting on this subject felt that it would be beneficial to have a broader segment of the community prepare, with public input, more detailed recommendations to the Park and Recreation Commission and the City Commission for future consideration. It has also been anticipated by the existing subcommittee that with the exception of providing space to set up a Dog Park and some minor in-kind support services from City personnel, the funds to develop this project would come from fundraising.

A press release was issued soliciting people interested in serving on a subcommittee looking into a Dog Park. This subcommittee would serve under and make recommendations to the Park and Recreation Commission, who in turn would make recommendations for the City Commission to consider. The applications for the subcommittee were due Monday, October 28<sup>th</sup> at noon.

11 applications were received by the due date and 3 more have been received since then. All the applications are attached for your review and information. The ones that came in after the deadline are marked with an "L" in the top right hand corner. I am very pleased by the quantity and quality of the applications received. In addition to those who submitted applications the existing subcommittee planned on the future group receiving staff support and coordination from Andy and Barb.

6 of the 14 applications received were from City residents, although it should be noted that several more of the applicants own property or are associated with businesses in the City. I do not see that residency should be an issue for membership on this subcommittee since as it will be making recommendations to the Park and Recreation Commission and ultimately the City Commission.

Of all the applications received 13 people expressed an interest in serving on the Advisory Committee, 6 on fund raising, 5 on research, 8 on implementation and 7 on public relations. A chart showing all of the applicants expressed areas of interest is attached. Personally I am a bit concerned that a 13 or 14 member subcommittee may be too large to function effectively. I think an approximate size of 7 would be more effective, including a representative of the City Commission, 1 or 2 members of the Parks and Recreation Commission and the remaining community members at large. I would also recommend that the remaining applicants are all utilized on the subcommittees. It would not be beneficial to have too many members of the Park and Recreation Commission since all this will need to come before them for official action. I see the Advisory Committee as the overall leadership group on all aspects of the Dog Park topic which will make an informed

recommendation to the Park and Recreation Commission.

With the applications and the chart of interests in your possession I believe it is both possible and desirable for the Park and Recreation Commission, as a group, to establish the membership of the Advisory Committee, preferably consisting of about 7 members.

Once established I would recommend that your Chairperson Michael Sheean officiate the first meeting of the Advisory Committee, until they choose their own Chairperson. From there the Advisory Committee would then determine the membership of each of its subcommittees. I would also suggest that each subcommittee have a representative on, or one that at the very least attends, each of the Advisory Committee meetings so there is good communications back and forth and so that everyone remains on the same page. Once the leadership of the Advisory Committee is in place and operating I would suggest that Chairman Sheean step back from the Dog Park subcommittee processes unless matters arise that the groups can not resolve themselves. I also plan to step back at this point, but remain available to assist if the need arises or is requested by the sub-committee.

**RECOMMENDATION:** That the Park and Recreation Commission establish a Dog Park subcommittee and appoint the Advisory Committee's membership of approximately 7 members based on the applications received to date and then direct it to then lead all the sub-groups it determines to be necessary for the purpose of carrying out its function of creating a plan for a viable Dog Park in Boyne City, as generally outlined above, with such recommendations necessary to do so to be presented to the Park and Recreation Commission by its February 2014 meeting and furthermore that the remaining applicants, along with any other parties determined beneficial, should be used within the sub-groups based on their talents and interest.

Options:

- a) Postpone this matter for further consideration or information.
- b) Bring all applicants together and allow them to elect their own committee of approximately 7 and form sub-groups.
- c) Do not authorize a Dog Park subcommittee working under the Park and Recreation Commission.
- d) Other options as determined by the Park and Recreation Commission.

**MEMORANDUM****TO: MICHAEL CAIN; CITY MANAGER****FROM: ANDREW KOVOLSKI; PUBLIC WORKS SUPERINTENDENT** *AK***DATE: 10/4/13****RE: DOG PARK PROPOSAL**

As you are aware there is an interest in establishing a Dog Park here in Boyne City. A group of citizens have approached the Parks and Recreation Commission for their input and support. This would be a fenced in area where people could take their dogs to allow them to be off leash in a controlled environment.

The Parks and Recreation Commission formed a sub committee to work with this group to look at possible locations for a dog park. Among the locations looked at were the area behind the 1910 Building on Division Street, the old Hockey Rink at Avalanche Park and also at Avalanche Park the area between the Reservoir Access Road and the steps to the lookout area. Attached you will find aerial view maps of these areas.

At this point in time the Citizens group is gaining traction and have approached us to try to get this project moving forward. At the October 3<sup>rd</sup> Parks and Recreation Commission meeting a motion of support for this project was made asking the City Commission to direct staff to work with the Citizens group looking to establish a Dog Park in Boyne City with their recommended location being the area between the Reservoir Access Road and the steps to the lookout area.

**RECOMENDATION:**

It is my recommendation that the City Commission take no action on this matter at this time and direct staff to work with the citizens committee to work out more specific details to bring to the City Commission for their review and possible approval at a future meeting.

**OPTIONS:**

1. That this matter be postponed for further information or consideration
2. That this matter be approved subject to some revision
3. Other options as determined by the City Commission

**From:** Barb Brooks  
**Sent:** Thursday, October 17, 2013 11:37 AM  
**To:** 'Charlevoix County News'; 'Christopher Faulknor'; Jim Akan; Jim Baumann; 'Jim Baumann'; Jordan Spence (jspence@petoskeynews.com)

**Subject:** Press Release  
For Immediate Release

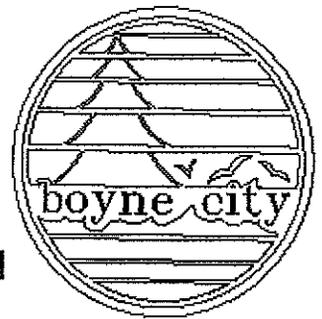

The City of Boyne City is looking for interested people to further explore the concept of a Dog Park in Boyne City. The committee will research all aspects of the proposed project, seek public input and review information to make recommendations to appropriate City boards and commissions. Once a committee is formed; they will tap into the community for volunteers to assist with research, fund-raising, public relations, construction volunteers and other talents that may be helpful in further exploration and implementation of this proposed project.

Applications of interest to serve on the volunteer advisory committee are due by noon on Monday, October 28, 2013 and are available at the Charlevoix County Humane Society, City Hall and a printable copy is posted on the City's website ([cityofboynecity.com](http://cityofboynecity.com)) under "Forms-Permits & Applications".

Reason(s) you wish to serve (use backside if more room is needed): Dogs need a safe environment to socialize and exercise, and that's one of the many benefits of the dog park. Having this park in the Boyne community will bring more people to Boyne City which should benefit the local business community

Other community or civic service activities: I am a volunteer for the Second Chance Ranch Horse Rescue, and work closely with Christine Todd, owner of Northern Pet Salon in D. City

Signature Tammy Zahn
