

# MACKINAC ISLAND

## Household Hazardous Waste

# COLLECTION DAY

**Saturday, October 12 • 9 am to 3 pm**  
**In front of City Hall**

Drug and Lab Disposal, Inc. will be here to collect, package, and dispose of **household** hazardous waste from our community. Bring your waste products to the area along side City Hall and qualified technicians will accept the materials from you. This program is sponsored by the City and is provided at no additional charge to you.

Some typical items that you'll find around the house and garage are:

### KITCHEN/HOUSEHOLD

Aerosol Cans – full  
Ammonia Cleaners  
Nail Care Products  
Detergents/Bleach  
Drain and Oven Cleaners  
Paint and Primers (enamel-solvent based  
lead based)  
Polish (acid and solvent based)  
Rugs and Upholstery Cleaners  
Inks and Ink Cartridges

### WORKSHOP/GARDEN

Cleaning Solvents  
Fertilizer/Fungicides  
Glue (water and solvent based)  
Herbicides/Weedkillers/Insecticides  
Moth Balls  
Paint Stripper/Thinner Varnish  
Stains  
Rodent Poisons  
Wood Preservatives  
Unknown Chemicals  
Gun Cleaning Solvents  
Batteries (all varieties)  
Antifreeze

Listed above are materials that are exempt from the hazardous waste regulations when they are used in a private household. Go through your house and bring unwanted quantities of these items to the City Hall Saturday, October 12, 2019 for disposal. If you have any questions please contact the DPW Office phone at 906.847.6130 or email at [MIDPW@CITYOFMI.ORG](mailto:MIDPW@CITYOFMI.ORG).
