TESTING OUT OF A HIGH SCHOOL COURSE

Each parent should be aware that “testing out” of a High School course is an option for their student. With the passage of the law enacting the state graduation requirements, parents may request the opportunity for their child to test out of a high school course. If you would like your child to take this assessment (which may include projects, presentations, research papers, a written exam, etc., depending on the course), please have your student sign up outside of Mrs. Baril’s office, or you may contact her by email at barilm@gaylord.k12.mi.us or call her at 731-0848. The deadline for applying to test out of a class is June 5, 2017. The testing out will take place at Gaylord High School on August 23, 2017 at 9:00 a.m.
