MEDIA RELEASE: GAYLORD COMMUNITY SCHOOLS

May 3, 2011

For Immediate Release

The Gaylord Community Schools will host two forums to address the current 2011-12 budget projection for our school district. These forums will be held at the Board of Education Building, 615 S. Elm Avenue, on Monday, May 9th at 12:00 p.m. and Tuesday, May 10th at 7:00 p.m. These forums are open to the public and members of the community are invited to attend and participate.

Superintendent Cheryl Wojtas and Board of Education President William O'Neill will give a presentation outlining GCS budget planning for the 2011-12 school year based on Governor Snyder's proposed education budget and current per-pupil allocation projections. Following this presentation, the public will be invited to ask questions and provide input.

The education of our youth is the foundation upon which the economic, social, and intellectual capital of our state is built and providing for the education of Michigan's school-aged children is a fundamental duty. The Gaylord Community Schools Board of Education, administrators and staff look forward to this opportunity to share information and ideas with the members of our community. Please consider attending either the May 9th or May 10th public forum. Please contact Sarah Madonna at 705-3008 to request additional information about these forums.
