THE JANE KELLY COLLECTION

Panel Processing is excited to present The Jane Kelly Collection, a compilation of Finsa's Thermally Fused Laminates. The award winning designer specifically selected 23 designs and textures from the Finsa Gama Duo and Studio Collections to create The Jane Kelly Collection.

Jane Kelly's designs have earned her a renowned reputation at the top of her field. Her vision and creativity continue to inspire and excite. From concept to material selection and execution, she excels in every step of the process. Her foresight and commitment has earned Jane multiple industry awards and her work has been published in leading design magazines.
