

Family Work Commitment Agreement

The Montessori philosophy includes families, specifically parents or guardians, as an integral part of the students education process. Commitment and participation of parents are essential to fulfill the purpose of our school. The PMCH and PMES staff and faculty cannot “educate your child” without your day to day interest in what they are learning. It is a requirement of PMCH/PMES that each family, whose child is enrolled in our non-traditional program, commits to a minimum of twenty (20) hours every academic year. We work with everyone to find an area that would be of the most interest to you and show off your skills to the students and especially your child(ren).

You may log your hours and look up volunteer opportunities in the volunteer notebook located in the office. If you are unable to honor your work commitment, please consider making a donation. The suggested donation amount is \$10 per volunteer hour. Any amount is greatly appreciated.

Thank you.
