

If you take charitable giving personally, you should know about us.

Your Community Foundation can help you stay involved in the good works your gift makes possible.

“Becoming involved in the Community Foundation has given us a well-rounded perspective of the region. It’s an excellent way to assist others and help this community to grow and be all it can be.”

- Barbara and David Buzzelli
Harbor Springs

When you make a gift of cash, appreciated stock, or other asset to your Community Foundation, we can establish a Donor Advised Fund in your name. You receive immediate tax benefits in the year your gift is made.

Make a personal connection. You can work with our experienced grantmaking staff to suggest ongoing uses for your fund—targeting the issues you care about most. Grant awards are issued to non-profit organizations in the name of your fund. It’s a simple, powerful, local, and highly personal approach to giving.
