

Quality Windows and Doors for All Seasons

New Hires at Wojan Window & Door

September 6, 2011

CHARLEVOIX, MI – [Wojan Window & Door Corp.](#) at 217 Stover Road in Charlevoix, welcomed two new front office employees in the month of August.

Purchasing Agent Nancy Randazzo

Nancy Randazzo began Monday August 22nd as the company's Purchasing Agent. Randazzo brings 10 years of experience in purchasing, most recently with B&P Manufacturing in Cadillac. She will work closely with Wojan's production staff and external suppliers to manage procurement activity for the company's line of commercial windows and doors.

Jon Boss joined Wojan's Inside Sales team on Monday August 29th. Boss was most recently with Petoskey Plastics, and brings 4 years experience in inside and outside sales, including 1½" years of window sales at a downstate company. He will be assisting customers and the company's outside sales representatives with project quotes and orders, as well as working to generate new sales opportunities.

Insides Sales Representative Jon Boss

Founded in 1952, Wojan Window & Door Corp. manufactures custom commercial aluminum windows and sliding glass doors for the U.S. marketplace from facilities in Charlevoix and Coldwater, Michigan. The diverse product line is rated for a variety of commercial and architectural applications.
