**Prerequisites:** none

**Instructional delivery method:** The CES  
facilitator utilizes a PowerPoint presentation to  
provide an in-depth overview of the 2008/2011  
AAMA NAFS Standard/Specification for  
windows, doors and unit skylights. It will be an  
interactive session that encourages feedback  
and questions.

**AV Needs:** Electrical power and screen for the  
PowerPoint slide or presentation. The CES  
facilitator can supply the laptop and projector or  
utilize your facility's projector and screen.

**Target Audience:** Architects, specifiers,  
designers, contractors, owners and other design  
professionals interested in the building  
envelope. The ideal audience size can be  
10-40 people. This program is basic and  
meets the needs of professionals at every  
experience level.

**Facilitator Qualifications:** All Wojan CES  
facilitators have been trained on CES guidelines  
and presentation skills. In addition, they receive  
continuous in-depth training in the field and are  
considered industry experts.

**Costs:** There is no cost to bring this program  
into your firm or chapter meeting.
