

The American Institute of Architects Continuing Education Systems

AIA/CES Registered Provider Program Summary Handout

Provider: Wojan Window & Door Corporation

Length: 1 hour

Program #: WOJ103

Credits: 1 LU/HSW hour

Program: AAMA Window Standards/Specifications
(and Ratings, Testing)

HSW: Yes

Program Expiration Date: 10/18/2024

Description: AAMA/WDMA/CSA
101/I.S.2/A440-08/11, North American
Fenestration Standard/Specification for
windows, doors, and unit skylights

Learning Objectives: After completion of this
course, participants will be able to:

- ✓ Examine the evolution of window standards
and code references
- ✓ Identify the North American Fenestration
Standard: (NAFS-08) AAMA/WDMA/CSA
101/I.S.2/A440-08/11 *and* Compare it to
previous versions (AAMA/NWWDA
101/I.S.2-97, 101/I.S.2/A440-05)
- ✓ Recognize and apply appropriate
performance class, performance level
and key performance attributes
- ✓ Understand what the Architectural Window
(AW) performance class is, and recognize
the benefits to clients by contrasting its
performance grade with the other classes
- ✓ Thermal information – commercial as
opposed to residential
- ✓ Apply the concepts of performance class
and thermal guidelines to knowledge
about building integrity, soundness and
energy efficiency (HSW)

Prerequisites: none

Instructional delivery method: The CES
facilitator utilizes a PowerPoint presentation to
provide an in-depth overview of the 2008/2011
AAMA NAFS Standard/Specification for
windows, doors and unit skylights. It will be an
interactive session that encourages feedback
and questions.

AV Needs: Electrical power and screen for the
PowerPoint slide or presentation. The CES
facilitator can supply the laptop and projector or
utilize your facility's projector and screen.

Target Audience: Architects, specifiers,
designers, contractors, owners and other design
professionals interested in the building
envelope. The ideal audience size can be
10-40 people. This program is basic and
meets the needs of professionals at every
experience level.

Facilitator Qualifications: All Wojan CES
facilitators have been trained on CES guidelines
and presentation skills. In addition, they receive
continuous in-depth training in the field and are
considered industry experts.

Costs: There is no cost to bring this program
into your firm or chapter meeting.

AIA/CES Provider Statement

Wojan Window & Door is a registered provider of AIA-approved continuing education under Provider Number K-460. All registered AIA CES Providers must comply with the AIA Standards for Continuing Education Programs. Any questions or concerns about this provider or this learning program may be sent to AIA CES (cessupport@aia.org or (800) AIA 3837, Option 3).

This learning program is registered with AIA CES for continuing professional education. As such, it does not include content that may be deemed or construed to be an approval or endorsement by the AIA of any material of construction or any method or manner of handling, using, distributing, or dealing in any material or product.

AIA continuing education credit has been reviewed and approved by AIA CES. Learners must complete the entire learning program to receive continuing education credit. AIA continuing education Learning Units earned upon completion of this course will be reported to AIA CES for AIA members. Certificates of Completion for both AIA members and non-AIA members are available upon request.
