First Annual Wojan Holiday Food Drive a Success!

November 22, 2013 (Charlevoix, Mich.) – Wojan Window & Door held their first ever Holiday Food Drive November 11-16. In addition to stationing collection boxes at six stores in the Charlevoix-East Jordan-Boyne City area, a group of Wojan employees volunteered on Saturday from 9-3, manning a box truck at Glen's Market in Charlevoix, collecting donations of food and household items. The campaign was a resounding success and Wojan distributed items to food pantries in Charlevoix, East Jordan, Boyne City and Ellsworth this week.
